Sir,

Additional Expenditure on account of feeding bullocks in the Chamarajanagar Town Municipality

In forwarding herewith a report No P C 15 of 46-47 dated the 6th August 1946 received from the President, Town Municipal Council, Chamarajanagar together with its enclosures on the above subject, I have the honour to state that with reference to the provision made under E2(b) feeding Conservancy Bullocks in the Budget for 45-46, tenders were called for the supplies of horsegram etc, required The tender offered was accepted as the rates were reasonable Later, while executing the contract, the Contractor expressed difficulties and pleaded inability to supply due to raising of the rates by Government of horsegram at Rs 32/- per pallah, and also the rate for hay The Contractor had to be assured unavoidably some concession in the interest of conservancy work This, the Council did, and the contractor carried out the contract for the year

The contractor preferred subsequently a claim for extra cost of Rs 950-13-3 and the Council after due consideration of the loss incurred, resolved to compensate him by payment of a sum of Rs 500/- as against Rs 950-13-3 preferred The total Expenditure under this head for the year amounted to Rs 2,700/- as against sanctioned provision of 1,600/- The extra cost of Rs 1,100/- was paid out of the Closing Balance for 45-46

During the current year also, tenders were called for supplies as usual, but no one tendered for supply The

P T O

The Council thereafter resolved at their meeting held on 27-5-1946 to undertake the feeding departmentally Due to difficulty to secure articles of gram and hay in the local market, it is stated, that during the current 2 months, the actual cost incurred has been Rs 270/- ~~xx~~ per month or Rs 3240/- per year as against a provision of Rs 2,400/- made in the Budget for 46-47 Before this report was received from the President, the Budget for the current year had been passed reducing the provision by Rs 300/- for want of explanatory note for increased provision So, a sum of Rs 1140/- extra over ~~the~~ and above the provision passed has to be spent, and this is proposed to be met out of the closing Balance for the current year

I request in the Circumstances that sanction of Government may kindly be accorded to

1 The excess expenditure of Rs 1,100/- incurred out of the closing Balance for 45-46 and

2 The additional cost of Rs 1,140/- to be incurred on account of feeding bullocks in the current year being met out of the Closing Balance of the year

I have the honour to be,
